Sir,

With reference to G. O No. 4277-8 dated 22nd March 1906, Sanctioning an Estimate for Rs 782-1-7 for the Astabandhana of Sri Kalaseswara Swami Temple at Karlesa, in the Mudgere Taluk, I have the honor to State that the Amildar of the Mudgere Taluk in Submitting a revised Estimate represents that the total cost will come to Rs 932-1-7 which Exceeds the amount now Sanctioned by Rs 150/-. Of this amount Rs 100-12-0 is said to be required for the Sanctarpana alone in addition to the amount of Rs 240/- now provided in the Sanctioned Estimate for that item. The remaining Rs 50/- is required for other miscellaneous purposes. I am of opinion that as the ruling prices are very high, the additional amount of Rs 150/- now asked for, is reasonable

I therefore Solicit that the Estimate as now revised and Submitted may be Sanctioned. The Vernacular file is herein Enclosed.

Sir,

Adverting to Government proceedings No: 4575-6, dated 20th Ultimo, sanctioning a Supplemental Estimate for Rs 20/- for repairing the Astabandana of the minor Vigrahas in the Sri-Kalaseswaraswami temple at Kalasa and requesting to have the repairs to the Ashtabandana carried-out by the 5th May and to intimate the date on which the Agamik should be sent to Kalasa, I have the honour to state that, on the receipt of the above order, necessary orders were immediately issued to the Amildar of Mudigere so as to reach him on the 22nd Ultimo.

The Amildar now reports that, on communicating the order of Government to the Peshkar and other persons interested in the temple, they presented a petition, dated 30th April 1908, stating that there was hardly any time for them to get ready the required articles for Ashtabandhanam before the 5th May, that there was no other auspi-

cious

~~day~~ during the month, that though the 6th June is an auspicious day, it would be impossible to take up the work on that day, as the monsoon would set in by that time, that it is necessary to put off the work till the end of raing season, and that 7th December 1908, which is an auspicious day, may be fixed for the purpose. The Amildar supports the representation made by the petitioner and others; and recommends that the work in question may be put off till December next as requested by them

Under the above circumstances, considering that the work is of a nature which requires some preparation and could not be pushed on in a hurry, and that it cannot be conveniently taken up during the monsoon season, which is about to set in, I have approved of the recommendation of the Amildar to have the work taken up and completed by 7th December next, so that the Rathotsavam may be celebrated on the above date. The Amildar is also directed to give due intimation to the Agamik of the time when

13th January 1909

My dear Mr Subrahmanya Iyer

I write with respect to the Ashtabandha work in the Sri Kalaseswara Swamy Temple at Kalasa in the Mudigere Tq, an estimate for Rs 932-1-7 was sanctioned by Govt in their order no 3873-4 & 13th Febry 1907.

9.
19.1.1909

The Local Tantriks &c of the temple, state that the above sum is quite insufficient and that a sum of about Rs 2000/— is required for the purpose. Their statement is based on some old list said to have been prepared in the year 1860 when a like ceremony was performed in the temple. This list, a copy of which is herewith enclosed, includes among other items, numerous articles as required for the preparation of Ashtabandha. I am not sure and the local people seem to have no idea as to whether the said articles are required on any Shastraic Authority or according to the whims and fancies of the people at that time. In these circumstances, I think it very desirable that the State Agamic Should scrutinize the old list in consultation

consultation with the Dharmadarsi and other local people interested in the temple and then decide how far the several items ~~should~~ which are included in the old list but which don't find a place in the estimate sanctioned by Government are absolutely necessary and which of them may conveniently be omitted and which retained in view of a revised Estimate being prepared and forwarded to Government for orders in lieu of the one already sanctioned. I therefore request that you will be so good as to direct the Sthanik to proceed to Kalasa and attend to the above business at an early date.

As the date fixed for the Ashtabandha ceremony viz 6th March 1909, is fast approaching, and as the grinding of the mortar &c for the purpose (which, it is said, will take about 45 days) will have to be begun early and everything got ready in time, I request that the Agamic may be directed to go over to Kalasa as early as possible He may be also kindly instructed

to see me on his way, so that I may
give him necessary instructions as to
what he has to do at Halasa in con-
-sultation with the temple people there

Yours sincerely

Sir,

Adverting to Government Proceedings No. 3873-4 dated 13th February 1907, sanctioning an Estimate for Rs 932-1-7, being the probable cost of Repairing the Ashtabandhana etc in the Sri Kalaseswara Swami temple at Kalasa in the Mudigere Taluq, I have the honor to state that the Dharmadarsees etc of the temple petitioned to Government as well as to this Office complaining that the sanctioned amount was quite insufficient and that a sum of about Rs 2000/- was required for the purpose. Their statement was based on some old list said to have been prepared in the year 1860, when a like ceremony was performed in the Temple. Thereupon the

II

Inuzrai Superintendent was requested to direct the State Agam to proceed to Kalasa and to scrutinize the old list in consul-tation with the Dharmadarsees, etc. of the temple.

Accordingly, the State Agamik went to Kalasa and had a discussion with the Dharmadarsees about the ceremony As the result thereof, it has been decided to have the ceremo-ny performed on the 11th March 1909. As regards the charges, the Agamik considers that the old list produced by the Dharmadarsees is not a reliable guide and that a sum of Rs 1,300/- will be quite sufficient for the purpose.

I beg to state that, as it may not be possible to send a correct estimate now, I may be permitted to have the Sanctioned Estimate as the basis and incur any addi-tional charges that may be absolutely necessary and then send a Revised Estimate and bill for the actual amount that might be spent.

Your D.O. of the 9th instant & also the Offl communication No 298 of the 12th idem have been received. The advance of Rs 1000 asked for by you will be in excess of the Sanctioned Estimate and therefore an advance of Rs 900 only has been sanctioned. Official orders will follow.

The State Agamic will go to Nagar and thence proceed to Kalasa in time for the Ashtabandhana ceremony.

Sir,

Adverting to Government Proceedings No. 1132-2/Mung 719-06 dated 17th February 1909, sanctioning Rs 900/- in advance for meeting the expenses to be incurred in connection with the celebration of the Ashtabandhana ceremony in the Sri Kalaseswara Swamy temple at Kalasa in the Mudgere Taluk, and calling for the submission of a revised estimate after the close of the ceremony, I have the honor to state that the said ceremony is reported to have been satisfactorily gone through and completed

On the 14th instant under the personal supervision of the Amildar. It is seen from the Amildar's report (a copy of which is herewith enclosed) that a sum of Rs 994.2.4 has been actually expended during the ceremony, which exceeds by Rs 42.0.9 the aggregate amount of Rs 952.1.7 sanctioned for the purpose in G.O. nos. 3873-4 dated 13.2.1907 and 4575-6 dated 26th April 1908. I therefore solicit that sanction of Government may be accorded for the above unavoidable additional expenditure. A consolidated bill prepared in English in this Office on the details furnished in the accompanying Kannada bills, received from the Amildar of Mudgeere, with proper vouchers therefor, is herewith submitted for favor of sanction and transmission to the Comptroller for audit.

The advance of Rs 900 which was issued to the Amildar for the ceremony will be adjusted after receipt of the above bills duly audited.
